No. STRU & QSP/ 840 /24

Date: 13/09/2024

Subject : Call for presentation of Self-propelled Combine Harvesters Wheel Type and Mini Combine Harvesters (Especially for seed purpose of soybean crop)

Reference : Proceedings of first meeting of purchase committee for combine harvester dt- 10/09/2024

Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani, intends to purchase approximately 5 Self-propelled Combine Harvesters Wheel Type and 3 Mini combine harvesters (subject to approval from higher authorities) especially for seed harvesting and threshing of soybean crop along with pigeon pea, safflower and wheat. All interested, Original Equipment Manufacturers (OEM), Suppliers, Distributors and Local authorized dealers are invited to give presentations about their products in the meeting scheduled on 16/09/2024 at 09.00 hrs in the meeting hall of Directorate of Research, VNMKV, Parbhani.

The interested Original Equipment Manufacturers (OEM), Suppliers, Distributors and Local authorized dealers are requested to register their names for presentation on or before 15/09/2024 till 17.00 hrs on following mail ID parbhaniseed@gmail.com and CC to sandeepshinde@vnmkv.ac.in

Combine harvesters of 70 hp to 110 hp, mini combine harvesters of 30 to 60 hp capacity preferably be presented.

Please take note that, these combine harvesters are required mainly **for seed harvesting and threshing purpose of soybean crop.** So, all are requested to bring the details of their previous clients (Seed Companies, ICAR institutes, SAUs and FPOs) record with feedback certificate about their combine harvesters.

Procurement will be carried out through GeM portal *vide* General Financial Rules-2017.
